Profile summary

With over 18 years of comprehensive experience in the electrical field, I have a proven track record in delivering high-quality services across marine, residential, commercial, and industrial sectors. My expertise encompasses the full spectrum of electrical work, including new installation, maintenance, repair, and replacement of electrical systems and equipment.

I excel in troubleshooting complex motor and control systems, ensuring optimal performance and reliability. My hands-on experience extends to automation and control systems, electronics, motor control circuits, relay circuits, DC & AC drives, and a variety of field devices, including limit and proximity switches. I am also well-versed in PLC programming and operations.

In addition to my technical skills, I am proficient in using advanced electrical and electronic measurement instruments to ensure precision and accuracy in all tasks. I am committed to adhering to the highest quality and safety standards, consistently delivering results that meet or exceed industry codes and client expectations.

Working history

- **Labor One** from 05/2020 to 07/2024 in Panama City Florida ESG Shipyard .
Electrician first class
- **Knights Marine** from 04/2018 to 12/2019 in Panama City Florida ESG Shipyard .
Electrician first class
- **Masse Contracting** from 07/2017 to 12/2017 in Pascagoula Mississippi VT halter Marine and Gulfship. Electrician first class
- **Huntington Ingalls** from 04/2015 to 07/2017 in Pascagoula Mississippi Ingalls Shipyard. Electrician first class
- **Southland** from 02/2014 to 08/2014 in Houma Louisiana Toma-sea Shipyard.
Electrician first class
- **Cenex Harvest State** from 09/2010 to 09/2013 in Belle chasse Louisiana Terminal Grain. Electrician
- **Triad Electric & Controls** from 12-2009 to 02-2010 in Belle chasse Louisiana Refinery Phillips 66. Electrician first class
- **Cabildo Staffing** from 06/2009 to 08/2009 in Houma Louisiana Bollinger Shipyard.
Electrician first class
- **Horizont Shipbuilding** from 12/2008 to 05/2009 in Bayou la Batre Alabama.
First class electrician
- **MEITEC, Inc** from 08/2008 to 11/2008 in Pascagoula Mississippi Signal Shipyard.
Electrician first class
- **Ameriforce** from 11/2007 to 08/2008 in Pascagoula Mississippi Ingalls Shipyard.
Electrician first class
- **AMeriforce** from 01/2007 to 11/2007 in Avondale Louisiana Northrop Grumman Shipyard. Electrician first class
- **Process Control** from 06/2006 to 11/2006 in Pharmaceutical Eli Lilly Puerto Rico..
Electrician
- **Bermudez & Longo** from 02/2002 to 05/2006 different Industrial projects Puerto Rico. Electrician

- **TECE.SA** from 03/1992 to 12/2000 Havana Cuba.
Instrumentation Technician
- **ACC** experimental station from 01/1983 to 11/1991 in Havana Cuba.
Technical supervisor

Some projects I have worked on

Vessels:

- LPD 21 USS New York
- LPD 23 USS Anchorage
- LPD 24 USS Arlington
- LPD 27 USS Portland
- LHA 7 USS Tripoli
- SSG Michael H. Ollis passenger ferry
- USCGC Argus WMSM 915
- GRAND MANAN ADVENTURE passenger and car ferry
- MAGDALEN Suction Hopper Dredge
- NORTH STAR fishing boat
- NEW ORLEANS TowBoat
- CHS Terminal grain
- Elly Lili pharmaceutical
- Phillips 66 Refinery

Skills

Computer Knowledge: Proficient in various software tools and applications relevant to electrical engineering and automation.

Mechanical Knowledge: Solid foundation in mechanical principles and systems.

Hydraulic Systems: Understanding of hydraulic principles and systems.

Electrical and Electronic Expertise: Strong focus on electrical and electronic systems, including advanced troubleshooting skills.

Blueprint Reading: Skilled in interpreting and working from blueprints and technical diagrams.

Assertiveness: Confident in decision-making and leading projects.

Decision Making: Effective in making informed decisions that drive successful outcomes.

Delegation: Experienced in delegating tasks to ensure efficient workflow.

Presentation Skills: Capable of delivering clear and impactful presentations.

Division of Work: Adept at organizing tasks and responsibilities to maximize productivity, Proficient in problem finding and solving

Empowerment: Committed to empowering team members to achieve their best.

Engagement: Focused on maintaining high levels of engagement within teams.

Execution: Strong ability to execute plans effectively and efficiently.

Focus: Highly focused on achieving goals and objectives.

Interpersonal Skills: Strong interpersonal skills for effective team collaboration.

Leadership: Proven leadership abilities, guiding teams to success.

Motivation: Driven to motivate others and foster a positive work environment.

Education

Grade:**Grado Asociado**

Title:**Instrumentation Technologies** Year of graduation: **2006**

Educational Institution: **Colegio Universitario**

Place: **San Juan, Puerto Rico**

Grade:**Grado Asociado**

Title:**Technologies and Engineering Electric Power** Year of graduation: **2006**

Educational Institution: **Colegio Universitario**

Place: **San Juan, Puerto Rico**

Grade:**T.M Educación Superior**

Title:**Instrumentación y Automatización** Year of graduation: **2006**

Educational Institution: **Instituto Politécnico**

Place: **Havana, Cuba**

Note:References, Grades and certifications will be submitted if required..
